Abstract	V
Resumen	VII
1. Introduction	1
1. Conceptualization of the term	1
2. Sexting Prevalence	8
2.1 Sexting Prevalence in adolescents	8
2.2 Sexting Prevalence in adults	13
2.3 Gender differences	16
3. Sexting and Online Sexual Victimization	18
3.1 Non-consensual dissemination of sexting and IBSA	19
3.2 Sexting coercion	22
3.3 Sextortion	24
3.4 Online sexual solicitations and online grooming	26
4. Sexting and Online non-sexual Victimization	28
4.1 Cyberbullying	28
4.2 Cyberstalking	32
4.3 Online Dating Violence	34
5. Sexting and Psychopathology	38
5.1 Psychopathology and Cyberspace	38
5.2 Sexting and Psychopathology in adolescent population	43
5.3 Sexting and Psychopathology in adult population	49
6. Research Justification	56
2. Objectives and Hypotheses	57
2.1 Objectives	57
2.2 Hypotheses	58
3. Methodology	61
3.1 Sample	61
3.2 Instruments	64
3.2.1 <i>Sexting Questionnaire</i>	64
3.2.2 <i>Mental Health Questionnaire</i>	65
3.2.3 <i>Socio-Demographic Questionnaire</i>	66
3.3 Procedure and sample selection	66
3.3.1 <i>Data Analysis</i>	67
4. Results	75
4.1 Article 1	77
4.2 Article 2	94
4.3 Article 3	124
4.4 Article 4	150
5. Discussion	163
5.1 Sexting Prevalence	164
5.1.1 <i>Active sexting prevalence</i>	165
5.1.1.1 <i>Sending sexts</i>	165
5.1.1.2 <i>Forwarding someone else's sexts</i>	167
5.1.1.3 <i>Pressuring and threatening someone to sext</i>	168
5.1.2 <i>Passive sexting prevalence</i>	171
5.1.2.1 <i>Receiving sexts</i>	172

5.1.2.2 <i>Being a victim of non-consensual dissemination of sexts</i>	172
5.12.3 <i>Being pressured or threatened by someone to sext</i>	174
5.2 Psychopathology Prevalence	177
5.3 Association between sexting behaviors and psychopathology	179
5.3.1 <i>Association between active sexting behaviors and psychopathology</i>	180
5.3.1.1 <i>Sending sexts and psychopathology</i>	180
5.3.1.2 <i>Sexting coercion perpetration and psychopathology</i>	182
5.3.2 <i>Association between passive sexting behaviors and psychopathology</i>	184
5.3.2.1 <i>Receiving sexts and psychopathology</i>	184
5.3.2.2 <i>Online sexual victimization and psychopathology</i>	184
5.4 Recommendations and insights on prevention programs	187
6. Conclusions	189
7. Limitations and further research	193
8. References	195
9. ANNEXES	223
9.1 Annex 1. Questionnaire	223
9.2 Annex 2. Article Images	233
